- ~~36~~ Using Assessment Information to Plan the Next Steps in Learning

Week 14: Transitioning to Schooling

- ~~37~~ Meaning & Importance of a Smooth Transition to Primary Education
- ~~38~~ Strategies to Help Children Be Ready to Learn in a New Setting

Week 15: Supporting Transitions for Families & Schools

- ~~39~~ Strategies to Help Parents Support Their Child's School Transition
 - ~~40~~ Preparing Schools to Welcome and Support Young Learners
-

Course Features & Benefits

- ✓ Self-paced learning with expert video lectures
- ✓ Interactive quizzes, case studies & real-world applications
- ✓ Hands-on planning activities & reflection exercises
- ✓ Course completion certificate to enhance career prospects

Who is This Course For?

- ✓ Preschool & Primary Educators
- ✓ Aspiring ECCE Teachers & Caregivers
- ✓ Child Development & Psychology Students
- ✓ Parents & Guardians Interested in Early Education

Course Certificate Advantage

- 🏆 Enhances career opportunities in preschool education, daycare management, and child psychology
- 🏆 Recognized by top educational institutions and ECCE-focused organizations

Would you like to add any additional topics or refine any sections? 😊
